C. SEMINAR PRESENTATION

Seminar presentation is the proceedings as part of the 21st IMT-GT Varsity Carnival held at Walailak University on August 23-29, 2019. The theme “Empowering Local Wisdom towards Human Wellness” and its sub-theme “Economy, Society (Health and Politics), Environment and Technology” have challenged both students and academics to reflect upon the ASEAN practice of wellness. The seminar has broadened our view on local wisdom and engaged the youths in academic interaction over the 4-day event. Such opportunity to exchange ideas has surely strengthened our relationship as members of a growing ASEAN and academic community.

The diverse interests by no means betray the unity in the region. Contributions from all 12 universities from the Golden Triangle network: Indonesia, Malaysia, and Thailand reflect collaboration, mutual understanding, and integration of different identities for our recognizable existence at the global level.
